To Whom It May Concern,

I am writing to confirm and elaborate on the selection of Khaleel Khan Mohammed participation as a judge for the 2025 Artificial Intelligence Excellence Awards hosted by the Business Intelligence Group. As the Chief Executive Officer and Founder of the Business Intelligence Group, I am pleased to provide additional insights into the qualifications and selection of Khaleel Khan as a Judge.

Our judging model places a premium on the expertise of industry leaders, regardless of their global location. The selection of individuals for our judging committees is an exacting process, where we meticulously seek out professionals who bring profound experience and insights to the table. In this regard, Khaleel Khan was invited to join the judging panel.

The decision to include Khaleel Khan was the result of an evaluation of the background and qualifications of the judge. Our judges are individuals who showcase extraordinary competence, and Khaleel Khan's extensive journey made an invaluable asset to our judging panel. The wealth of experience and significant contributions to the industry aligned seamlessly with the high standards set by the Business Intelligence Group.

We acknowledge and appreciate the unwavering commitment to the field and extend our best wishes for continued success in future endeavors.

Sincerely,

Russ Fordyce
